

KCTC GUARDIAN CONSENT SIGNATURE PAGE

Our school administers the ***Kansas Communities That Care (KCTC) Student Survey*** to 6th, 8th, 10th, and 12th grade students. We hope you allow your child to participate.

About the Survey

- ☒ This valuable tool helps us **understand challenges** students face, and how they behave, feel, and think about problem behaviors, like substance use.
- ☒ Student insight helps inform prevention program planning and applications for grants designed to **help students succeed**.
- ☒ It is completely **anonymous**. Students aren't asked for any information that could identify them.
- ☒ It is **voluntary**. Your child may decline to participate in the survey or skip questions they don't want to answer.
- ☒ **Annual participation is important**, as it helps determine effectiveness of previous efforts and inform program changes.
- ☒ View the survey at kctcdata.org/studentsurvey. We will only administer two sections: Family Module and Depression & Suicide.
- ☒ Contact Principal **Deena Clark** at deenaclark@usd432.org or **Kimberly Woolf** at kimberlywoolf@usd432.org to learn which survey questions our district will administer.
