

Site Council Agenda  
January 10, 2024 @ 5:30 pm VES Cafeteria

***Together We Inspire eXcellence***

**Site Council Purpose:**

- Provide support to help us meet our district's mission and goals.
- Provide advice and counsel in evaluating the district performance goals and objectives.
- Provide advice and counsel in determining methods that may be employed by the district to meet these goals and objectives

We will be focusing on the following topics:

- 1. Building Needs- VHS roof drainage & FACS remodel project
- 2. What would a 4 Day Calendar mean for USD 432?
- 3. KESA (Kansas Education School Accreditation)- Our Mission and Vision on our Strategic Plan we drafted this fall!

1. Student Success:

- Ensure all students explore career pathways of success after high school
- Increase positive relationships with students
- Develop opportunities for work-based learning
- Increase support for students by challenging them

2. Responsive Culture:

- Increase Parent/ community communication, support, and engagement
- Increase parent support and involvement
- Develop a culture of change- student success
- Promote positivity and share successes

3. Support and Develop Staff (Support and retain high quality staff.)

- Increase communication between administration, teacher and parents
- Increase teacher involvement in the school and community
- Develop "open minded to change"
- Develop a culture of respect and support among staff

**The following Wednesday, January 17th, we will have another open community forum to discuss and answer questions about a 4-Day Calendar at VES in the cafeteria.** We are hoping to reach as many people and questions as possible as we continue to move forward with exploring a possible different calendar.
